Don't you buy me nothing
I am feeling one thing and it led me to a miracle
Don't you buy me nothing
I am feeling one thing, your lips on my lips
There's a very, merry Christmas

It's the most beautiful time of the year
Flying through the streets spreading so much cheer
I should be playing in the winter snow
But I'mma be under the mistletoe

I don't want to miss out on the holiday
But I can't stop staring at your face
I should be playing in the winter snow
But I'mma be under the mistletoe

With you, shawty with you
With you, shawty with you
With you under the mistletoe

With you, shawty with you
Shawty with you, under the mistletoe

Kiss me under the mistletoe
Show me baby that you love me so
Ohhhh, ohhh,
Kiss me underneath the mistletoe, oh, whoaaa
